

Room Parent Description 2011-2012

Meet and work with the teacher to organize events in the classroom at the beginning of the school year and on going as you determine. You will be a central contact for parents in your class, you do not have to do everything by yourself but you will need to help find other parents in the class to assist with projects/events.

Attend Parent Auxiliary meetings (every other month starting in September). Help disseminate information about volunteer needs from Parent Auxiliary and rally parents in your class to help

Organize any seasonal celebration events the teacher would like to have in the class (coordinate time and types of snacks for celebration with the teacher)

Assist teacher with classroom Spring fundraising project for annual fundraiser (each classroom prepares a class project for the silent auction)

Organize group gift for teacher for holiday and year end. (Prepare an email/flyer to send home to families asking if anyone would like to contribute. Not mandatory)

Support and assist teacher with any other items they need help with.
